

HAPPY BIRTHDAY

This year our class will be celebrating birthdays with books! Please join the fun by donating a book that we can enjoy on your child's special day. Instead of sending in sugary treats, we will look forward to spending time together reading and sharing stories that will become part of our classroom library.

How it works:

1. Choose a book your child would like to donate to our class. (It can be new or gently used.)
2. Have your child sign the inside of the book and write their birthdate. You can also choose to attach a picture of your child on the inside cover if you'd like!
3. Wrap the book and have your child bring it to school on (or near) their birthday.

If your child has a summer birthday, we will celebrate their ½ birthday!

This is a voluntary program and your participation is completely optional. Books can be a fabulous "treat!" If you don't send a book, don't worry...I have plenty of extras. Your child won't be left out! ☺

Let's celebrate with stories!
