

valentine celebration

First grade will be enjoying our Valentine celebration on Friday, February 9.

As a "heart smart" snack, we'll be enjoying some Friendship Fruit Salad. For this, we need every student to bring a single serving of fruit. It can be fresh fruit or a fruit cup – either works! We'll combine our fruit to create a treat that we can all share and enjoy.

With the way our schedule falls on that day, we will not have a set "party" time but will instead be doing activities throughout the day mixed in with our normal academics. This means we won't need any additional parent volunteers.

Students can bring in Valentines to pass out to their classmates – all of the names are listed on the back side of this paper. We have 17 students in first grade this year. If you have extra cards/treats and would like to share with other key people at St. Mary, I also included names of some other staff members. Valentine goodies are not required, but if it is something you choose to do, please make sure you have enough for each student in the class. Thank you!
