

Weekly Update – Week 13

November 17

The annual St. Mary Thanksgiving Feast will be on Tuesday, November 21st. A turkey lunch will be provided for all students and staff that day – no need to send in a lunch!

November’s Virtue of the Month:

Docility

The willingness to be led or to be taught

Look at what we’re learning!

Math

We have continued our work with subtraction this week, learning how to subtract from 8, 9, and 10. We’ve also begun to understand that addition and subtraction are related.

Religion

We finished our timelines this week about the life of Jesus, looking at some key moments in His ministry. We also focused on the word “grace”. Mrs. McNeilly helped us understand that grace is a gift.

Phonics

We wrapped up our unit on consonant digraphs and began working on long vowels with a “generous e”. This week the focus was on long a (a_e).

We also worked together to create the start of a sacred space in our classroom. We checked out what some other classes have and have talked about what we would like our space to have, too.

Looking Ahead

November 21 – Thanksgiving Feast

November 22-24 – Thanksgiving Break
Childcare Closed

November 30 – Virtuous Student

December 6 – Happy Birthday, Matthew!

December 19– ELC Christmas Program

20	21 Thanksgiving Feast	22 No School	23	24
27	28	29	30 Virtuous Student announced at Mass	1
4	5	6 Happy Birthday, Matthew! 	7	8
11	12	13	14	15

\$2 Tuesdays are back!

This spring our 5th and 6th graders will be attending camp at Howell Nature Center. To help offset the cost of camp, we are bringing back \$2 Tuesdays.

For \$2 each Tuesday, your child can wear non-uniform bottoms along with their St. Mary polo or a St. Mary spirit wear shirt.

St. Mary  School
*Shaping hearts and minds
 in the service of Christ*

The kids have started learning songs for our Christmas musical! You're welcome to practice at home if your child is asking! 😊
