

Weekly Update – Week 27

March 8

Thank you for your conversations this week during parent teacher conferences! Remember that if you ever have any questions or concerns, you can reach out any time. I appreciate our partnership in your child's education.

March Virtue of the Month: Moderation

Following a way of life that does not indulge in too much of any one thing.

Look at what we're learning!

Math

This week we started working on adding two-digit numbers, focusing on adding tens and on counting on by tens or ones.

Phonics

We talked about the ending spelling patterns -ind, -old, -ild, -ost, and -olt. We also looked at when y makes the long I sound at the end of a one syllable word.

Religion

We continued talking about the fruits of the spirit. We learned that these gifts from God help us to grow in holiness. See if your child can sing you our fruits of the spirit song – maybe they'll even teach you our fun dance that goes with it! 😊

Reading Logs

Reading logs are optional! Each day your child reads at least 20 minutes, fill out a ticket on his/her reading log. These will be entered into a weekly drawing for some fun prizes throughout the month of March! Our goal is to get families reading together this month, enjoying stories and experiencing the value of reading.
