

Weekly Update – Week 3

September 8

The first weeks of school are always filled with energy, exhaustion, lots of new routines, and excitement about the year ahead. I have felt all of these things and more these past three weeks, and I'm sure your child has too. I have already had so much fun getting to know your students and can tell that it is going to be a wonderful year of learning ahead! St. Mary School is a blessing and I feel so honored to be a part of the family again this year.

If you haven't yet, consider joining our class on Remind, a texting app used for schools. This is a quick, effective way to get messages back and forth if needed throughout the school day.

Download the app and use the code @b64bca to connect with our classroom.

Look at what we're learning!

Math

We have started diligently working our way through Chapter 1 which focuses on addition concepts. So far we've discussed addition stories, using objects to add, and writing number sentences.

Phonics

This week we've continued to discuss sounds and the manner or articulation for each. Next week we'll focus in more on short vowels.

Religion

This week Mrs. McNeilly talked with us about praising God and about seeing Jesus in other people the way that St. Martin of Tours did. We also learned the following prayer:

Praise be to God the Father.

Praise be to God the Son.

Praise be to God the Holy Spirit.

Praise be to God yesterday.

Praise be to God today.

Praise be to God tomorrow.

Amen

Looking Ahead

Enrichments

Our enrichments began on Tuesday!
The schedule is as follows:

- Monday – Art & Spanish
- Tuesday – P.E.
- Wednesday – Technology
- Thursday – Music
- Friday – Music & Spanish

Please make sure your student is prepared
with appropriate gym shoes on Tuesdays.

Classroom Wishes

Your generosity and contributions this year
have been so appreciated! Thank you for
getting our year started so smoothly and
ensuring that our kids have everything they
need to be successful.

As we've moved through the first couple of
weeks of school, a couple of classroom wishes
have emerged:

- Band-Aids
- Plastic Spoons

I've also added a few things to our class's
Amazon Wish Lists since the year has started
that would help us both in the classroom and
on the playground.

Shaping hearts and minds in the service of Christ
